

Authors guidelines

Modificado el viernes, 19 de diciembre de 2008

Authors should submit an original paper in English, Spanish, Portuguese, and French carefully checked for correcting grammar and spelling, using the on-line submission procedure (MyReview). Please check the paper formats so you may be aware of the accepted paper page limits.

The guidelines for paper formatting provided at the conference web site must be strictly used for all submitted papers.

Paper submission types:- Full paper is for Presentation and refereed publication (template full paper). This paper presents a work where the research is completed or almost finished. It does not necessary means that the acceptance is as not only for a full paper. The oral presentation is 20 minutes. Length of Paper: each manuscript should be no longer than 10 pages. No paper that exceeds the number of pages (including text, tables, illustrations and appendices) established by the conference management can be included in the Proceedings.- Extended abstract is for Poster presentation and abstract publication (template extended abstract). Length of Extended Abstract: the extended abstract should be no longer than 2 pages using the two column format of this template. No extended abstract that exceeds the number of pages (including text, tables, illustrations and appendices) established by the conference management can be included in the memories.
